

Advance Groups/Classes and School Grades

Summer is a great time to advance your groups/classes and school grades in Church Windows. Within the Membership module, there is a function to move the students in selected groups/classes to the next level. You can advance school grades from a person's individual record as well.

Free Training Webinars

Church Windows provides free, live training webinars every month, on a number of different subjects. Here attendees can chat directly with a trainer and ask relevant questions. If you are unable to make the live presentation, each webinar is recorded and can be accessed at any time on our website.

Emails and Changes

Stay up-to-date with Church Windows news, tech tips, and software updates by making sure we have the correct email and contact information for your organization. You can do this by emailing info@churchwindows.com and providing your current contact person and email address. You can also give us a call at 800-533-5227 to verify.

Backing Up

Remember to backup your data regularly to prevent losing your work and having to re-enter information. It's quick and easy. Don't rely on someone else. A secondary backup never hurts, even if your data is hosted on Church Windows Web.
