

*Can I Access my Summit Hosting account from my Smartphone?*

(2/18)

You can access your Summit Hosting account from any of these smartphone platforms:

**iOS Devices (iPhone, iPad, iPod Touch)**

[The Citrix Receiver client for iOS devices can be found here in the App Store](#)

**Android**

[The Citrix Receiver client for Android devices can be found here in Google Play](#)

**Windows Phone**

[The Citrix Receiver client for Windows Phone can be found here in the Windows Store](#)

Once you've downloaded and installed the appropriate Citrix Receiver on your device, here are the specific settings you will need to enter:

**Summit Hosting Customers:**

Choose "Add Account"

"URL or work email" — Enter the following URL:

<https://login.myhostedcloud.com>

"Username/Password/Domain": Enter your Citrix username/password

Domain: myhostedcloud.com or Canada

Description: A name so that you can identify the account. If you leave this field blank, Citrix Receiver uses the value of Address.

Access Gateway: off
