January Hours and Help – New Year Resources

The End-of-Year and New Year often bring increased support calls in January. Due to this increase, we have extended January hours. We also have many resources on our website to help you move into the new year in Church Windows.

January extended hours – EST
9 am – 8 pm Monday – Thursday
9 am – 5 pm Friday
10 am – 1 pm Saturday

Documents and movies specific to the different modules are available on the New Year Prep & Help page. We also have a myriad of free videos and documents available at any time. If you have a question after support hours, make sure you look at our Resource Center (formerly Support Center) to see if you can find an answer to your question. You can reach support at 1-800-533-5227 or support@churchwindows.com.

Changes

To ensure that you receive updates, news, tech tips, and other relevant information from Church Windows, please take a moment to ensure we have the current email and contact information. You can update your contact information by emailing info@churchwindows.com with your present contact person and email address or call 800-533-5227 to verify current contact information.

Backing Up

Remember to make backups of your data regularly. Back up often to prevent possibly having to re-enter data! You can perform this function yourself, and it only takes seconds. Don't depend on someone else. A secondary backup never hurts, even if your data is hosted on Church Windows Web.
